Exchange | Key Decisions for Nevada

- What are the goals of the Nevada Exchange?
 - Connect people to health insurance
 - Promote change in the health insurance market
 - Improve the health of Nevadans by increasing access to coverage
- How will the Exchange help individuals and small employers compare plans and purchase health insurance?
 - Pro-active outreach and education
 - Information that can help people make informed decisions
 - Cost and quality rankings of health plans

Exchange | Key Decisions for Nevada

- How will the Exchange operate alongside the existing individual and small group markets?
 - Same plans offered inside and outside the Exchange
 - Rating and underwriting rules comparable
- Should the state establish one Exchange or two?
 - Combined Exchange serving individual and small group markets – OR – separate Exchanges
- How will the Exchange interact with Medicaid/CHIP?
 - Continuity of coverage across programs
 - Reduce churn between programs

Exchange | Next Steps
